Knowing about working with computer and internet in an acceptable range.

Writing an article titled as " The Impact of E-learning on Motivational Strategies and English Learning" published in the *Journal of Basic and Applied Scientific Research*, Vol.3, No.6  
June 2013

Doing some researches about " early child development" ( in children of 0-6 years old) along with the Municipal Council of Tehran.

- Cinema, specially children's films, has been one of my most important favorites. I have always followed the news about children's films, their directors, actors and actresses, and also children's film festivals, etc, in Iran and other countries.
