

JITENDRA MISHRA

Film Producer & Promoter

Festival Director – SIFFCY, INDIA

*Jitendra Mishra is one of the few Indian film producers & promoters who have been able to create a benchmark in 'Alternative method of Film Production, Distribution & Promotion' at international level. Committed towards meaningful cinema, Jitendra has been associated only with socially relevant films made for children & youth and which are a balance of the right content and creativity, with an objective to sensitize the youth by getting meaningful cinema out there for everyone and to encourage issue based filmmakers. He has already been associated with the production, distribution and promotion of more than **100 films** in all categories. Many of them have got worldwide acclamation and recognition.*

*Apart from this, he has also designed and implementing one of the unique film festival and forum: '**SIFFCY**' (**Smile Int'l FF for Children & Youth**) for **Smile Foundation**, a leading development organization in India, benefiting more than 600000 children & their families every year through various developmental projects on education, women empowerment, healthcare & livelihood.. The festival caters to more than 18000 children in 7 days with more than 120 films, 15+ different capacity building workshops every year and becomes one of the most credible festivals in its category. Currently he is serving as the Festival Director of this festival. Awarded with the prestigious 'Son of Odisha', 'Youth Icon', 'Youth inspiration' & many other awards, Mr Mishra has also served as consultant to many credible & reputed organizations including 'Indira Gandhi National center for the Arts' & 'Children's film society India' for their film projects. He has been a member of **Cannes Producers Network** for last many years and selected as Jury to many leading international film festivals & forums.*
