Schedule of meetings

There are two meetings a year, and their location depends on the decision of the board members. Immediately after the election at the next General Assembly, December 2016 in Vizag, there will be a first meeting of the new board of directors. The calendar of next meetings will be decided afterwards.

Financial responsibility

Financially, each board member is responsible for her/his travel expenses.

A festival or an organization may offer to host a CIFEJ board meeting. In this case, they may offer meeting space and facilities and/or hotel accommodation with some discount or for free, etc.

If the festival awards a CIFEJ Prize, board member/s may be asked to be on the CIFEJ Jury; since the festival has to pay for the travel expenses and hotel accommodation of the CIFEJ Jury member/s, in this case the member of the board, who is also a member of the Jury, will be offered free air travel tickets and full accommodation.

What is really expected from a member of the board of directors?

Each board member is expected to be able to represent the organization publicly at international events and important meetings where CIFEJ should be present.

CIFEJ board members must use their wisdom, influence, and dedication to help defining the role of CIFEJ in this ever-changing world where global economic conditions and technological progress affects deeply on the children's media.
